

## Curriculum vitae

### 1.General information

**Name:**Maedeh

**Last Name:**Kamalizad

**Birth date:** 29<sup>th</sup> July. 1989 (7 mor.1368)

**Place of birth:** Isfahan-Iran

**Marital status:** not married

**Present position:** MSC in hematology

### 2.Contact

- [Ma\\_kamalizad@yahoo.com](mailto:Ma_kamalizad@yahoo.com)

- [Maedehkamalizad@gmail.com](mailto:Maedehkamalizad@gmail.com)

### 3.Education position

- **2012-2014:**Master student in hematology, Iran Blood Transfusion organization

-**2008-2012:**licentiate in medical laboratory, kashan university medical science, kashan, iran

-**2003-2007:**Diploma in Experimental Sciences, ferdos High School, Isfahan ,Isfahan , Iran.

- **2000-2003:** salahshoor Secondary School, Isfahan ,Isfahan, Iran.

-**1995-2000:** tabrizi Primary School, Isfahan, Isfahan , Iran.

### 4. Lecture /Congress /workshop

- **2014:** Lecture about NK Cell Immunotherapy, Iran Blood transfusion organization, Tehran, Iran

-**2013:**6<sup>th</sup> International and 11<sup>th</sup> national Congress on Quality Improvement in Clinical Labratories, Tehran, Iran

-**2012:**5<sup>th</sup> International Congress of Laboratory and Clinic,Tehran,Iran

-**2012:**Lecture about Hematopoetic Stem Cell transplantation, Kashan University of Medical Science,Isfahan,Iran

- **2010:**workshop of labratory animal (Rabbite, Rat and mice),Kashan University of Medical Science, Isfahan, Iran.

## **5.Skills and expertise:**

Medical skills (as a general practitioner): Molecular biology techniques (PCR, , Real time PCR,  
Stem cell techniques ( Isolation,Culture, Differentiation,Flowcytometry,MACS,Specific Staining)

## **6.Research Projects:**

-The effect of osteoblast and mesenchymal stem cells on the differentiation of cord blood-derived CD3<sup>+</sup> cells into natural killer cell lineage, Iranian Blood Transfusion Organization, 2013-2014

## **7.Work Experience:**

Hematology Question Designer in ‘Sana’ Scientific Publisher and Farhikhtegan Scientific-Educational Institute

**8.Language skills:** Persian (native language), English (reading/understanding good), speaking/writing: moderate)

-Certification of MHLE

## **9.Interests:**

Stem cell cancer therapy

Cancer Immunotherapy

Stem cell transplantation

Umbilical Cord blood research

Haemovigilance

## **10.Abbreviation:**

MACS:Magnetic Activated Cell Sorter

NK Cell :Natural Killer Cell

PCR:Polymerase Chain Reaction

MHLE:Ministry of Health Language Exam
